

## **Guiding Principles**

1. Students develop and apply a solid academic foundation.
2. We hold high academic expectations for each student.
3. We are committed to differentiated instruction to maximize student learning.
4. The school has clearly defined extracurricular and school-related activities, as well as community service opportunities.
5. The school actively integrates technology into the curriculum in meaningful ways.
6. Each student's physical, social, emotional and intellectual needs are met.
7. A safe predictable environment promotes student's success in learning.
8. Instilling responsibility and respect for oneself, each other and the environment will help students develop into valuable members of the community.
9. We are a community of learners uniting students, parents and teachers.
10. We embrace cultural diversity.
