## School-Age Day Camp

Where every day is EPIC • Rising K – 5<sup>th</sup> Grade

Every week, campers delve into the realms of science, nature, creative arts, and performing arts, while engaging in a medley of sports and games. Our camp promises an exceptional array of indoor and outdoor activities, including special guests and exciting on-campus events, adding an extra layer of delight and creating unforgettable moments. These adventures are complemented by captivating field trips that tap into local resources, all culminating in a summer filled with epic adventures and cherished memories.

### Draw, Paint, Create

Campers discover their inner artist in a vibrant journey filled with brushes, colors, and boundless imagination!

### Project Blueprint

Delve into simple machines and architectural design, sparking curiosity and problem-solving skills.

### Color Wars

Join the pep rally! Campers gather for songs, chants, and challenges, promoting collaboration and team spirit.

### Summer Games

Channel your inner Olympian! Engage in friendly competitions, team sports, and challenges promoting camaraderie and sportsmanship.

### Kids Helping Kids

Inspire compassion and empathy through various service projects, creating a brighter future for those in need.

### Makerspace

Creativity and construction collide! Plan and build 3D objects using wood, clay, PVC, and more in our innovative Makerspace.

### Myth Busters

Tease your brain! Brain teasers, puzzles, and riddles enhance logic, reasoning, problem-solving, and math skills.

### Discover Lab

Collaborate and innovate! Campers solve problems and develop a love for science, technology, engineering, art, and math.

### Joyful Noise

Laughter abounds as campers gain creativity and confidence through singing, dancing, and acting.

### Cosmic Exploration

Embark on an extraordinary journey through the stars, exploring the wonders of the universe through stargazing and space-themed experiments.

# Swim Program

## On-site Pool & Swimming Lessons

Rising Preschool – 5<sup>th</sup> Grade

### On-Site Pool

We create unforgettable memories for students in our on-site swimming pool.

### On-Site Swimming Lessons

Our on-site swimming lessons are beneficial for children of beginner to intermediate skill levels. In our lessons, children learn foundational water safety skills, refine their swim technique, build self confidence, and work towards reaching their personal swimming goals. British Swim School's experienced, qualified instructors help children practice their freestyle, breaststroke, and butterfly stroke techniques.

### Aquatics Safety

Swimming is a fun and essential life skill for children of all ages. We provide students with the skills and experiences needed to feel confident in the water. Our personalized teaching approach allows each child to learn swimming skills comfortably and safely at their own pace. Children learn the features of a safe swimming environment and important safety habits, such as never swimming alone or without adult supervision.

# EPIC Field Trips

Rising 1<sup>st</sup> – 5<sup>th</sup> Grade

## Flamingo Gardens

Flamingo Gardens is one of the oldest botanical gardens and attractions in South Florida. Flamingo Gardens' Everglades Wildlife Sanctuary is a home to Florida native wildlife including alligators, bobcats, eagles, otters, panthers, peacock, and of course, flamingos!

## Zoo Miami

Zoo Miami is the largest zoo in Florida and fifth largest in the United States. Campers will be able to learn about over 500 different species and see over 3,000 animals.

## Butterfly World

Butterfly World is located in Tradewinds Park in Coconut Creek, Florida. It opened in 1988, and it is the largest butterfly park in the world, and the first park of its kind in the Western Hemisphere. The facility houses around 20,000 live butterflies.

## Flying Squirrel

With attractions that cater to any level of adventurer, there's something fun for everyone. At Flying Squirrel your mini warriors can conquer obstacles, show gravity who's boss, and have a blast.

## Marlins Game

Campers will experience Camp Day at Marlins Park. Campers will watch the Marlins play against another team in the MLB. The scheduled game is July 25<sup>th</sup> against the Baltimore Orioles.

## Panther's Ice Den

Campers will enjoy ice skating at the Panthers Ice Den. They will have the opportunity to free skate at the state-of-the art facility and equipment will be provided including trainers for those new to skating.

# EPIC On-Campus Events

Rising Preschool – 5<sup>th</sup> Grade

## Steam City Kids

Blending education & entertainment to give campers an unforgettable experience! The mission is to provide highly engaging STEAM in school field trips and interdisciplinary resources to ignite young minds!

## 4<sup>th</sup> of July Barbecue

Campers will spend the 3<sup>rd</sup> of July celebrating our nation's Independence Day. Campers will partake in a number of activities as well as BBQ by the pool.

## Wacky Wednesdays

Every Wednesday, campers show their camp spirit by dressing in a theme every Wednesdays. Some examples of themes are Tie Dye, Pajamas, Crazy Socks, etc.

## Camp Wide Color War

Campers are divided into two colors and compete in activities all across campus for the day. Join the pep rally! Campers gather for songs, chants, and challenges, promoting collaboration, competition, and team spirit.

# Preschool Program

## We're in session for summer!

Ages 3 – 4

We're in session for summer! As a continuation of our Links to Learning curriculum, our summer program is a fun-filled adventure for children ages 3 to 4. Each week, preschoolers jump into action, participating in fun and exciting activities and special events. Our activity blocks are sprinkled throughout each week, giving preschoolers fun and variety in their camp day.

### The Artist in Me

Campers will get crafty using a variety of materials to create wacky and abstract masterpieces, nurturing their creative flair!

### Build it Better!

Little builders dive into messy fun with hands-on building projects using Legos, foam, clay, and more!

### Jr. Olympics

Little champions practice sportsmanship through fun sports and games, focusing on sharing, taking turns, and being a great friend.

### Splash-tacular!

Campers stay cool and have a blast with water-themed games, water tables, sprinkler runs, and more, making a splash this summer!

### Kids Helping Kids

Campers learn the joy of giving back as they work together to help community members in need.

### Connect the Dots

Campers exercise critical thinking and problem-solving skills through engaging activities.

### Minute to Win It

Ready, set, go! Campers enjoy a thrill working together to complete fun and sometimes silly tasks before the clock runs out.

### Tinker Around

Young learners experience S.T.E.A.M. through fun projects that encourage questions, problem-solving, and exploration.

### Listen to Your Art

# Extreme Camp

## Expand their horizons

Rising 4<sup>th</sup> – 9<sup>th</sup> Grade

Older campers take day camp to the next level as they expand their horizons, embark on new adventures, and most importantly have fun. Extreme Campers focus on leadership growth and skill development in an environment that forges lifelong friendships. Extreme Junior (Rising 4<sup>th</sup> – 5<sup>th</sup> Grade) travel two to three times a week while our Extreme Senior (Rising 6<sup>th</sup> – 9<sup>th</sup> Grade) travel four to five times a week.

### Leadership

Campers engage in peer-to-peer learning weekly, fostering confident and knowledgeable social-emotional leaders. They develop a leadership mindset through activities focused on team building, collaboration, self-advocacy, and mindfulness.

### STEAM Skill Development

Campers master essential STEAM skills, including engineering and math, through project-based learning. With a focus on these crucial 21st-century skills, our campers extend their learning throughout the summer, immersing themselves in exploration and discovery.

### Service Learning

A cornerstone of the Extreme Camp program is our focus on service-learning projects. Giving back to our local communities and fostering a greater understanding of relating to others strengthens our campers' connection to the community and encourages them to be active, solution-focused citizens.

### Camp Role Models

Our oldest campers spend time daily as active role models for their camp community. Whether they are helping run the camp recycling program or creating the camp newsletter, these young leaders are modeling positive interactions, empathy, and high motivation for achieving goals for the entire camp community.

# Extreme Junior Camp Field Trips

Rising 4th – 5th Grade

## Rapids Waterpark

Rapids Water Park is a water park in Riviera Beach, Florida, United States, that occupies 30 acres. The park includes 42 slides and attractions, including a wave pool, dual seven-story speed slides, and a quarter-mile lazy river.

## Venetian Pool

This unique aquatic facility has been enjoyed by hundreds of thousands of people since 1923. The Venetian Pool is fed by spring water from an underground aquifer and is refilled daily, with over 820,000 gallons of water. The pool features two waterfalls and cave-like grottos for a fun experience for all swimmers.

## Shark Wake Park

Campers will jump, dive and splash into your next outdoor family-friendly adventure on our Obstacle Island. The massive floating playground is home to monkey bars, climbing towers, slides and more!

## Frost Science Museum

Frost Science stands out as one of only a few institutions worldwide to have both an aquarium and a planetarium in one museum. The North and West wings provide six floors of interactive exhibitions dedicated to the ecosystem of the Everglades.

# Extreme Senior Camp Field Trips

Rising 6th – 9th Grade

## projectROCK

projectROCK is a new style of indoor climbing facility located in Oakland Park. A space so unique, it creates the illusion of traveling to popular climbing destinations throughout the Americas!

## Rapids Waterpark

## Snorkeling in Keys

Campers leave early in the morning and travel down to John Pennekamp State Park. Campers will spend the morning learning how to snorkel and then go out to see the beautiful coral reefs around our keys.

## Trampoline Park

Campers will travel to numerous trampoline parks. Here they will experience epic moments of non stop activity from jumping to zip lining.

## Dave and Busters

Campers will experience the opportunity to partake in a wide variety of different arcade games including air hockey, ski ball, and much more.

## Tigertail Aqua Park

There's no shortage of activities here at Tigertail Lake Recreational Center. There's always something new and fun to try no matter how many times you visit. Take up windsurfing, kayaking, canoeing, stand-up paddle boarding, and more on our 5-acre lake. Challenge your friends on our multi-tower, 40-foot high ropes course or try your hand at sailing!

# Specialty Camps

## Explore and expand their interests

Rising 2<sup>nd</sup> – 8<sup>th</sup> Grade

Our specialty camps are packed with hands-on activities that offer experiences for campers to discover new skills and talents. Whatever your child's interests are, we have fun and unique activities for them to try!

### Pottery for Beginners

We introduce campers to the world of pottery by enabling them to craft and decorate their own ceramic creations, such as cups and bowls. This hands-on activity not only fosters creative thinking and motor skills but also serves as a fun and therapeutic outlet for emotional expression, stress reduction, and sensory development.

**Grades:** Rising 3<sup>rd</sup> – 8<sup>th</sup>

**Week:** June 24 – June 28

**Price:** \$420

### mBot2 Coding Robot

This perfect STEM kit provides endless opportunities for campers to explore functions like voice control, line following, and IoT through various connections. Plus, the free programming platform guides students as they transition from block-based to text-based programming.

**Grades:** Rising 2<sup>nd</sup> – 8<sup>th</sup>

**Week:** June 24 – 28

**Price:** \$420

### Drone Aviation

The Drone Aviation STEM unit challenges students to use small drones to solve problems. Students will utilize a drone to inspect difficult-to-reach areas within the school, develop and present a drone-security solution, and even simulate potential avalanche locations at a new ski resort.

# Big Island (Hawaii) Highlights

From the raw power of active volcanoes at Volcanoes National Park to the captivating Punalu'u Black Sand Beach, where we might spot green sea turtles basking on the unique shore, and the marine wonders at Kealakekua Bay, we'll create lasting memories of this diverse and breathtaking natural paradise.

## Volcanoes National Park

Study volcanology at the Kilauea Visitor Center, hike through volcanic craters, scalded deserts, and lush rainforests; walk into an actual lava tube and see two active volcanoes. This 300,000-acre national park is home to Kilauea Volcano, one of the most active volcanoes in the world!

## Punalu'u Black Sand Beach

Visit one of the most famous black sand beaches in the world. These beaches get their color from volcanic lava contacting the ocean—as the lava cools rapidly, it shatters into small basalt fragments giving the beach its black color.

## Kealakekua Bay

Board a catamaran for a cruise to Kealakekua Bay, a Marine Life Conservation District. Snorkel in the brilliant blue waters and see vibrant coral, tropical fish, and on occasion, spinner dolphins. The Bay has historical significance too, as it marks the spot Captain James Cook first landed on Hawaii Island in 1778.

## Kilauea Iki Crater Hike

You'll start in a lush rainforest and descend to the floor of the Kilauea Iki Crater, a solidified lava lake which still contains many active steam vents. The vibrant colors and varied wildlife of the rainforest is a stark contrast to the steam vents, cinder cones, and splatter cones found in the crater.

# From the Big Island to Oahu

As we bid farewell to the enchanting landscapes of the Big Island, where we've explored the Halema'uma'u Crater, we transition to Oahu. There, we'll continue our educational journey with an ascent to the iconic Diamond Head, offering panoramic views of the Pacific. At Pearl Harbor, we'll pay our respects at the USS Arizona Memorial, and then immerse ourselves in Hawaiian culture with a traditional Luau and Polynesian Show.

## Halema'Uma'U Crater

Located on the summit of Mount Kilauea, this underground lava lake has formed a crater that's nearly 3,000-feet in diameter and over 200-feet deep. Students will enjoy a night hike to the crater and stop along the way for stargazing in the pitch-black, unpolluted sky.

## Diamond Head

Climb the 99 stairs to the top of Diamond Head, a well-known landmark of the Honolulu Volcanic Series. This 763-foot volcanic tuff cone summit boasts an exhilarating 360-degree panoramic view!

## USS Arizona

The USS Arizona Memorial, at Pearl Harbor in Honolulu, Hawaii, marks the resting place of 1,102 of the 1,177 sailors and Marines killed on USS Arizona during the Japanese surprise attack on Pearl Harbor on December 7, 1941, and commemorates the events of that day.

## Hawaiian Luau and Polynesian Show

Enjoy a traditional Hawaiian Luau and authentic Polynesian show. Students will learn how to play the ukulele, participate in a hula dance, and discuss the local legends and the cultural connections the Hawaiian people have to the land. This is a Hawaiian favorite you don't want to miss!
