

AP World History Summer Assignment

Dear future AP World Modern Historians,

Welcome to AP World History! Taking an AP course is an incredibly challenging and rewarding task. I look forward to guiding you through this process. We have a great deal of material to cover this year. To maximize our classroom time, I have prepared a summer assignment for you.

Our textbook is the AMSCO World History: Modern 1200-Present. I have attached a digital copy of the Prologue: History before 1200 C.E. Please read the prologue in its entirety and complete the notes, vocabulary and objective questions.

The summer assignment is due on the first day of school. The summer task is worth 30 points. It is imperative that you have the summer work done. We need to start the year ready to work! I look forward to working with you next year!
