

# THE PTO WELCOMES YOU!

On behalf of the Sagemont Preparatory Upper Campus Parent Teacher Organization (PTO), we would like to extend a warm welcome to our Sagemont Preparatory families as we prepare for an exciting 2025-2026 school year.

## Our Mission

The PTO's mission is to promote open and positive communication between Sagemont Preparatory parents and staff. We provide volunteer and fundraising efforts aimed at enriching student learning opportunities. We are committed to enhancing the education and social experience of Sagemont Preparatory students and their families.

## Reasons to Join Our PTO

The key to ensuring the success of the Sagemont Preparatory PTO organization lies in the active participation of the school community. Whether you are new or returning to our school, we invite you to join us in our mission to foster a positive and collaborative relationship between parents and staff. We encourage parents to get involved in ways that best suit their schedules and lifestyles. From attending monthly PTO meetings to chairing a committee or event or simply sharing ideas, no contribution is too small. We value and seek input from the widest range of viewpoints and experiences possible. Parental involvement and participation are an integral part of our children's education.

The PTO sponsors events like the Student Thanksgiving Lunch, Student Dances, Teacher Appreciation Week, and other activities for students, faculty and staff. More importantly, we procure items for enrichment and improvements inside the classrooms.

We invite you to join us in strengthening our community and making Sagemont Preparatory feel like an extension of your family. Please feel free to contact any board member for information on how to get involved. We welcome you to attend our monthly PTO meetings and join us during the Open House. A PTO board member will be available to provide information and answer questions. We hope to see you there!
