

Sagemont Athletics Summer Checklist 2019-20

Believe it or not the Fall 2019 athletics season is just around the corner! Practices will begin before you know it. Here are some reminders to be prepared for next year.

1. Create or update your RegisterMyAthlete.com (RMA) account. If you currently have an account, simply login and select the 2019-20 school year and **ALL** sports you intend on trying out for. For our new athletes, detailed instructions for creating an RMA account are included.
2. Have your FHSAA sports physical (EL2) filled out and uploaded to your RMA account **BEFORE** tryouts or practices begin.
IMPORTANT: You will not be allowed to practice or try-out without these forms turned in! All forms can be accessed via your RMA account.
3. Be prepared to start on the first official date for your specific team. If you are unable to make these very important first practices, it is **MANDATORY** that you contact your head coach ahead of time! **IMPORTANT NOTE: Attendance at all pre-season practices is highly recommended in order to be considered for the team.** You should only miss these practices in the event of illness or family emergency.
4. Fall 2019 game schedules will be live on the Digital Sports website by August 1st and can be accessed at www.digitalsports.com. Please check it out at your leisure to see all that it offers. Additionally, email alerts are available for sport specific practices, game changes, and cancellations. Follow the simple steps on the attached instruction sheet to learn how to use it!
5. Be ready to be committed as our teams have experienced incredible success in recent years. In order for this to continue you'll need to be dedicated to working hard and helping your team succeed. Stop by our offices or feel free to contact us if you should have any questions.
