

Dear Parents,

Welcome to Preschool! Because this may be your child's first school experience, we promise to do our best to make it a special and secure one.

We are really looking forward to a wonderful and successful year with both you and your child. So that we may get to know you all a little better, we are enclosing a student questionnaire form for you to complete and return on the first day of school. We are also enclosing a list of supplies to send in at orientation or on the first day.

You should expect to hear from us frequently because we love to share with you the fantastic things we are doing. However, if you have any questions or concerns during the year, please do not hesitate to call (954-384-5454, ext. 2101) and we will get back to you as soon as possible.

It is so important to us that our students enjoy school and do well. Working together, we can provide those great experiences so necessary for their development.

See you all soon!
