

Technology Requirements

Grades K-8:

Students entering Sagemont K Thru 8 are issued an Apple iPad to enrich their daily learning experience.

All Sagemont Students must purchase an iPad cover with a keyboard for their designated iPad model. Screen protectors are highly encouraged.

***Please do not purchase any iPad keyboard covers until iPad agreements have been sent home with appropriate iPad information per student. ***

Students grades 9-12:

MacBooks, Chromebooks, and ThinkPad's are recommended devices for students. Minimum 8GB Memory, 128GB SSD (Drive Space), 802.11 Wireless Networking, OS Should be OS X 10.14 or Higher.

Computer Science & Robotics Students:

*If a student is taking computer science & robotics courses, it is recommended that they do not use a Mac as it does not have much capability. Any other PC with at least 8-16GB of memory and 250-500 GB SSD (Drive Space) is preferred. All appropriate software will be downloaded with Ms. Mejias.

*Computer Science students will also need a USB with at least 32GB memory and a pair of headphones.

Recommended iPad Covers:

***All cases should include a keyboard.**

***Please do not purchase any iPad keyboard covers until iPad agreements have been sent home with appropriate iPad information per student.**

***Please note if students received an iPad last year and turned it in without any damage, they will receive their same iPad, therefore, their old case can be used if it has a keyboard.**
