

THE SKY'S THE LIMIT

FLY WITH NAPLES

The educational tours start at the main general aviation terminal, offering a behind-the-scenes look at the day-to-day operations of the Naples airport. The next stop is the "line room" where the staff discusses various career tracks in aviation with the students. After that, the students take a bus tour of the airfield, stopping at one or two tenants along the way. Finally, the students visit a flight school and a private charter company to learn how to become a pilot and experience the life of a private pilot.

*Wings Over **MIAMI***

The Wings Over Miami Air Museum pays tribute to the pioneers of civilian and military aviation, including aviators and veterans. During the tour, visitors can learn about the elements of flight and the historical significance of the aircraft. After the tour, there is a unique activity followed by lunch.

WEEK WITHOUT WALLS

2024

Departures

TIGER TAIL *RECREATION CENTER*

At Tigertail, students will have the opportunity to engage in exciting activities that promote teamwork, build confidence, and conquer fears. They will climb towering structures and navigate a unique lily pad-style ropes course, all while being supported by their peers. Additionally, students will tackle the brand-new Aqua Challenge - an exhilarating water obstacle course with eight challenging elements. Safety is of utmost importance, and our experienced and certified facilitators provide all necessary gear and oversee the belaying process. Through various games and initiatives, participants will learn the essential skills of communication and teamwork in a fun and challenging environment.

COMMUNITY IMPACT

As part of the Week Without Walls program, every student at Sagemont Prep will participate in a day of community service. Middle and High School students will have the opportunity to either lead a beach cleanup or volunteer at a food pantry. The school's mission highlights the significance of making a positive impact on the community.

FLYING IN THE SKY

Another aviation adventure is currently being designed and will be announced in the near future.
